Ensuring the future of veterinary medicine in Maryland

Scholarships

for Maryland Veterinary Students

The Maryland Veterinary Foundation grants educational scholarships to deserving Maryland residents pursuing all levels of veterinary medical education. With the high cost of veterinary medical education, the need for such scholarships has never been greater. The Maryland Veterinary Foundation, through the generosity of its many donors, provides needed financial assistance to students preparing themselves to join the veterinary profession.

Don't have time to participate? We would still greatly appreciate your support. We are looking to secure silent auction items. If you or your family is involved with businesses that could lend a hand, please approach them for donations or sponsorships. Please contact Gillian Hopkins at glotz@newyorklife.com or John Talts jtalts@henryscheinvet.com

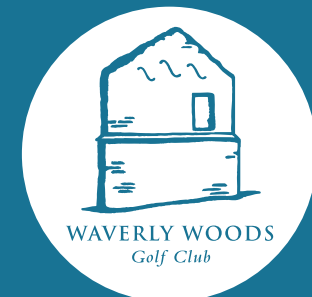

We are a 501(c)(3) non-profit (tax ID #521299768).
Thank you for your tax-deductible contribution.
